

agreement

I think that I would like to use this system frequently.

I found the system unnecessarily complex.

I thought the system was easy to use.

I think that I would need the support of a technical person to be able to use this system.

I would imagine that most people would learn to use this system very quickly.

I found the system very cumbersome to use.

I felt very confident using the system.

I think I could identify a deficit in my technique using the system.

I think I can improve my technique using the system.

I think I will not be able to put in practice what I learned using the system.
